2026

Principal's Desk

Dear Students,

As our school Dr. Bhabendra Nath Saikia Senior Secondary School enters its ten years of service to the student community and society , its time , once again to welcome a fresh batch of students to the Higher Secondary .

Having both Arts and Science streams , Dr. Bhabendra Nath Saikia Senior Secondary School offers a wide variety of subjects including integrated courses for students to choose from this session 2026-27 .

We look forward to welcome the fresh batch of students this year and together strive to make ourselves and our institutional proud .

Mr. Chandra Dhar Baishya
(Principal)
(Retd. Assistant Geologist , GSI)

Vice-Principal's Message

Dear Students,

Our school was established in 2016 with single stream of Science . In the year 2020 we moved one step ahead and started Arts stream and now school is full fledged , which has classes from nursery to senior secondary (H.S.) level .

School is promoted by "Gyan Dweep Foundation" and managed by highly qualified Educational Committee .

Affiliated to ASSEB (former AHSEC) .

School is well equipped with laboratory and scientific materials .

Our School is located at College Road , Khetri

Mr. Sanjib Kr. Baishya(MBA)

Vice - Principal

Our Vision :

"To ignite thousand minds so as to make them proactive rather than reactive "

The greater Dimoria and its surrounding areas have lots of potential aspirants who hard to achieve quality higher education but due to the constraints of intake capacity of the existing institutions , many students are compelled to move to other nearby places to persue their aims . keeping these constraints in mind , the Gyan Dweep Foundation has decided to start Dr. Bhabendra Nath Saikia Senior Secondary School (Science and Arts) to cater the need of the students at their doorsteps .

Our Mission :

"To provide a platform for flourishing of inherent capacity of students for a sustainable profession "

To educate students to become a quality professionals with positive attitude and knowledge , so that students can compete in various state and national level competitive exams .

Courses:

The school will provide Higher Secondary both (i) Science and (ii) Arts stream courses and (iii) Integrated course . From this year School will start integrated course for science stream students .

(i) Stream Science : *Elective subjects are :* Physics / Chemistry / Mathematics / Biology / Computer Science / Geography . **Compulsory subjects are :** English & MIL (alternative English / Assamese / Hindi)

(ii) Stream Arts : *Elective subjects are :* Political Science / History / Geography / Anthropology / Computer Science / Education / Tourism and Hospitality . **Compulsory subjects are :** English & MIL (alternative English / Assamese / Hindi)

(iii) Integrated course (for Science Stream): There will be three combinations for this course by which students will be able to prepare for NEET/JEE/CEE/B.Sc. nursing / CUET examinations parallelly with NCERT syllabus . In this course students will be made efficient in solving both MCQs and descriptive type questions .

Combinations are :

- (a) Physics / Chemistry / Mathematics / Biology
- (b) Physics / Chemistry / Mathematics / Computer Science
- (c) Physics / Chemistry / Biology / Geography
